

ReCycle Shop Bicycle Programs

ReCycle is a community bike shop located at Bike Walk Wichita. You are welcome to bring your bike in and utilize our work stands, tools, and bike mechanics to make repairs.

We can assist you in refurbishing your bike. If you have a bike and want to purchase parts, you can pay cash or earn additional volunteer credit at the rate of \$5 per hour.

In addition, you can always volunteer in ReCycle to help fix up bikes for kids and people needing transportation. We believe everyone deserves a bike!

ReCycle Shop Hours:

Tuesday	2-8pm
Thursday	2-8pm
Friday	12-4pm
Saturday	12-4pm

For current hours,
call 316-530-2990

325 N. St Francis
Wichita, KS 67202

PLEASE VISIT OUR SITE: www.recycleict.org

We have a variety of volunteer tasks, including bike repair, bike disassembly, office tasks, and general Bike Walk Wichita volunteer jobs.

Bikes for Kids

Know of a child in need of a bike? Bring them in to pick one out for free, up to 20" wheel size! Parents or guardians need to be present to receive the bicycle. Helmets may be available.

Build-A-Bike - Saturdays at 10 a.m. by appointment

Youth ages 10-18 who need a larger bike can select a bike to fix up themselves. We will provide one-on-one assistance and any needed parts or supplies. An adult is not required to attend but is welcome to, and the session usually lasts between 1.5 and 2 hours.

Email recycle@bikewalkwichita.org to schedule.

Earn a Bike

You can Earn-a-Bike by volunteering at Bike Walk Wichita's ReCycle Shop. Earn-a-Bike requires **15 hours of volunteer time**. After you have completed those 15 hours, you can select one of the basic bikes we have to refurbish and will come with a lock and lights.

Mechanic Courses & Other Ways to Engage

We also offer specialized courses that focus on specific components such as: Basic Mechanics • Axles, Hubs, and Bottom Brackets • Wheel building • Shifting and Derailleurs • and more. We also offer Bike Jam events where The ReCycle Shop will bring a skills course to your location and teach children basic street safety and riding skills.
